Re: *Ex Parte Notice*
Modernizing the E-rate Program for Schools and Libraries, WC Docket No. 13-184

Dear Ms. Dortch:

On November 8, 2013, Joel Klein, Executive Vice President of News Corporation and Chief Executive Officer of Amplify Education, Inc. ("Amplify"), Kristen Kane, Chief Operating Officer of Amplify, David Stevenson, Vice President, Government Affairs of Amplify, and Antoinette Cook Bush, Executive Vice President, Government Affairs of News Corporation, met with Commissioner Rosenworcel and Christianna Barnhart, Acting Legal Advisor to Commissioner Rosenworcel, to discuss the above-referenced proceeding. During the meeting, the parties discussed Amplify's business and the educational content that the company is developing. The parties also discussed the comments that Amplify filed in this proceeding. Specifically, Amplify reiterated its support for a minimum bandwidth target of 250 kbps per student for all schools supported by E-rate funds and urged the Commission to eliminate the distinction between priority 1 and priority 2 services. Finally, the parties discussed the importance of maximizing the funding that schools receive through the E-rate program.

Pursuant to the Commission's rules, this letter is being submitted for inclusion in the public record of the above-referenced proceedings.

Sincerely,

/s/ Gil M. Strobel
